Dear Community Members, families and friends,

The South Hills Band Booster is an all-volunteer organization dedicated to providing support for the South Hills High School Band and Color Guard Music Program by seeking donations, financial support and volunteers from individuals, businesses, and community organizations.

The South Hills High School Band & Color Guard Music Program has consistently demonstrated excellence in musical education and performance. While the Band and Color Guard members have a demanding schedule of practices, performances, and competitions, many also excel academically. The music program teaches our student discipline, good work ethics, sportsmanship, leadership and respect to name a few. Research proves that participation in music and the arts increases students' chances for success in school and in life.

The South Hills Band Booster operates almost entirely independent of the finances of South Hills High School. Our primary revenue source is registration fees paid by families and donations received from generous individuals and businesses. These fees are used for equipment (instruments, props, etc.) purchased, uniforms, costumes, competition fees and Field Staff salaries (color guard instructors, visual consultants and etc.). Because the registration fees do not cover all of the expenses, we are directly reaching out to area businesses, family and friends and offering an opportunity to help us by becoming sponsors.

We are actively seeking sponsorship of local business and individual to reduce the financial burden on our students and improve our ability to support the South Hills High School Band & Color Guard Music Program. With your sponsorship, the South Hills Band Boosters will continue to support each and every student who wishes to participate. With your contribution, the South Hills Band Booster organization may operate from a consistent budget and help provide the necessary funds to successfully support the student's pursuit of Excellence.

The South Hills Band Booster Sponsorship Program is a great way for local businesses to become involved in shaping our students, providing them with much-needed funds to keep the South Hills High School Music Program successful. There are various levels of sponsorship (Friends of the Band, Bronze, Silver, Gold, Platinum, and Diamond). All are based on the amount of contribution during the season (school-year). The South Hills Band Boosters is a non-profit 501(c)(3) organization that supports the South Hills High School Band & Color Guard Music Program. Your contribution is tax-deductible to the extent allowed by law.

Please review the sponsorship levels and let us know if you have any questions or need additional information regarding the benefits. We are happy to speak further with you about supporting our efforts. If you are able, we would appreciate your selection of a level that works best for you. We look forward to an amazing season and invite you to come see the students perform. You can stay up to date on our goals, events, performances, etc. at shhsband.com. Thank you in advance for your time and consideration and for supporting our students.

Sincerely,

Mr. Mike Wooten
